November 3, 2021

Dear Marina Members,

As we approach the closing of our Marina & Campground, we would like to thank everyone for a wonderful Season. The weather was beautiful and the ability to breath in fresh air this year was refreshing. May 2022 bring more sunny days for everyone to enjoy!

We would like to make everyone aware of the 2022 pricing & procedures for the Marina.

- Our 2022 Boat Slip Rental fee will be \$1,500, with \$500 due upon application.
- The remainder will be due upon ODNR bringing the Lake to “Summer Pool”, typically in April.
- Applicants are welcome to pay the entire \$1,500 at time of Application if that is more convenient for you, we are just presenting options with the deposit in 2022.
- Should you change your mind later after you have paid the deposit, it is **non-refundable**. Should you pay in full and change your mind, the deposit is **non-refundable**.
- Should you be assigned a slip, your deposit will be applied to your account.
- Should your application not meet the first come, first serve basis, we will refund your deposit and advise you via email. Your application will automatically be placed on a waiting list, for possible cancellations.

An application for your reservation is located on our website, under the Marina Tab.

It is imperative that you complete the application to request your slip reservation. We have received several applications in the 4th quarter and throughout the year, please contact our office to confirm that you are still interested in January and to confirm the deposit should be applied.

We will make every attempt to accommodate your slip requests and will communicate with you with any adjustments and alterations.

We thank you for a great season and feel free to contact us with any questions or concerns.

Regards & Wishing a Wonderful Holiday Season~
